

Interior Designer

Destree Design Architects, Inc. is an award-winning design firm specializing in food & beverage, commercial environments, university spaces, and single-family residential projects. We are seeking an **Interior Designer** to join our team who is creative and detail-oriented, with a keen interest in both business environments and high-end single-family residential projects. The position involves concept development, material research, graphics, design development, and contractor and client contact. Responsibilities include coordinating project work and submittals with consultants; Revit and AutoCAD drafting; shop drawing review; SketchUp project presentations; finish and furniture selections; construction drawings; specifications; and some minor procurement.

Qualifications:

- Minimum 3 years of Interior Design experience
- Solid design talent that reflects clever, innovative solutions
- Ability to interpret construction documents and apply building codes related to interior architecture
- Revit Proficiency
- AutoCAD Proficiency
- SketchUp, Lumion, & Enscape experience is a plus
- Microsoft Office (Word, Excel, Outlook, PowerPoint) Proficiency
- Adobe Photoshop and Illustrator experience is a plus
- Excellent written and verbal communication skills
- Ability to self-direct your schedule, multitask and prioritize your day, communicate, and function as part of a design team.
- Experience performing in a deadline-driven environment where accuracy and timeliness are critical.
- CIDQ certification is a plus

Education:

Degree: Associate, BA or BS in Interior Design or Interior Architecture

This is a full-time employee position. Some of our benefits include:

- Competitive Salary
- Medical and Dental insurance (100% paid by employer)
- Cell phone stipend
- Paid time off
- Simple IRA
- Professional development, membership funds, and registration support

Relocation assistance is not available for this position.
